## EXPERIENCE

### Software Developer

Contractor, DXAgency

May 2023-Present

- Developed an email editing and testing tool, streamlining email distribution and incorporating modern technologies into outdated systems.
- Demonstrated agility in learning new technologies, mastering PHP in just a few weeks to actively engage in diverse client projects.
- Leveraged problem-solving skills to identify, track, and resolve software bugs, contributing to the overall stability and reliability of the company's internal systems.
- Utilized PHP custom functions to create unique themes and pages in WordPress, improving the internal site's functionality.
- Worked effectively in a fast-paced team environment, showcasing strong collaboration skills and the ability to deliver under tight deadlines.
- Demonstrated a proactive approach to learning and understanding new concepts, positioning myself to take on additional responsibilities in the future.

### Logic Tutor

University of Nevada, Reno.  
Department of Philosophy

August 2021 - June 2022

- Taught students the principles of logical validity, soundness, and symbolic representation, enhancing their ability to construct and deconstruct arguments effectively.
- Engaged students with verbal opposition to reconstruct philosophical arguments, leading to a measurable improvement in their essay-writing and analytical skills.
- Proactively managed scheduling and tailored one-on-one lessons to meet individual student needs, ensuring focused and effective learning experiences.
- Designed supplementary materials and utilized interactive teaching methods to maintain high levels of student engagement, encouraging active participation and in-depth discussions.

### Server/Expeditor

Black Angus Steakhouse  
Brentwood, CA

February 2018 - March 2020

- Conferred with kitchen staff to produce accurate orders, verifying accuracy prior to delivery.
- Cultivated warm relationships with regular customers.
- Adapted to various roles as needed, including host and maintenance, demonstrating versatility and commitment to team success.
